fidup

All your loyalty cards
in one app, always with you.

- ✓ **No sign-up**
- ✓ **No data in the cloud***
- ✓ **No profiling of any kind**

Everything stays on your device, **works offline too!**

Scan with your camera

litupsrl.github.io/fidup

iPhone Safari or Chrome → Share → **Add to Home Screen**

Android Chrome → tap **Install**

* Except for the encrypted backups you choose to save to Google Drive or OneDrive: nobody, not even Google or Microsoft, can read them.

Free · Your cards stay encrypted on your phone
